Session Key Learnings

February 19th, 2022
www.icanresearch.org/videos

1. Leaders strive to achieve several important character traits:

- Fierce determination
- Compassion
- Empathy
- Adaptability and flexibility
- Confidence
- Patience
- Risk-taking

2. Leaders achieve their goals for themselves, their team, and their community by:

- Clearly outlining a vision and plan
- Listening to their team members and others
- Setting a goal or adjusting as needed
- Willingly working with their team to problem-solve
- Communicating effectively with team members and others
- Identifying areas that need support and seeking help as needed

3.) Developing leadership skills is lifelong opportunity:

- Leaders prioritize continued learning and education
- Leaders always work towards increasing good communication skills
