

Chapter Leader - Youth Training Interview Questions

About: These interview questions are being used to understand how international iCAN Kids groups are training their youth advisors. We will be using this data to help improve youth training protocols for KidsCan and eventually create a manuscript on youth training for all iCAN Kids to benefit from.

Interview Questions:

- What Kids group are you in charge of?
- How many years have you been involved in your research group?
- Approximately how many youth have you trained during your time leading your chapter?
- Do you have a written protocol for youth training?
- What training materials have you used with your youth advisors?
- What do you think is the most important part of training for youth advisors?
- Do all youth advisors receive the same training?
 - Does the training vary with the age of youth advisors?
